

Hold *your* clutch! Task 06

Target:

Get know about:

- Postman collections setup
- Protected routes with roles
- File upload with multer

Resource:

 You can watch the full explanations in here:

 [Video](#)

Problems:

O In the same repo (Egyptian League Management API), add a route to upload each team's logo and also add a key in the Team model to store the photo link. And create a README file that describes everything in the project and record a 5–6 minute video explaining the project.

Evaluation:

- *10 points for file upload*
- *10 points for Readme and Video*

Deadline: 4 Days #Friday August 29 at 9:00 PM
